

SCHEMA DI WET SYSTEM™

WET SYSTEM™ LAYOUT

I COMPONENTI WET SYSTEM™

WET SYSTEM™ COMPONENTS

WET SYSTEM™ è il sistema con brevetto depositato appositamente studiato per applicazioni su superfici in ambienti umidi.

È un sistema **unico** costituito dai seguenti elementi:

WET SYSTEM™ 00, il primer protettivo

WET SYSTEM™ 01, l'adesivo specifico

WET SYSTEM™ 02, il tessuto tecnico con stampe grafiche

WET SYSTEM™ 03, le finiture protettive

WET SYSTEM™ is a patent pending system specifically conceived for applications on surfaces in damp environments.

It is a **single** system consisting of the following elements:

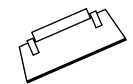

WET SYSTEM™ 00, the protective primer

WET SYSTEM™ 01, the specific adhesive

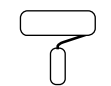

WET SYSTEM™ 02, the technical fiber with graphic prints

WET SYSTEM™ 03, the protective finishings
